

THE INFORMATION Retrieval Service for Louisiana

For over four decades Metro Press Clipping Bureau has been providing the most complete & comprehensive press clipping coverage in Louisiana.

Through the years, we have continued to use new technology and made any changes necessary to provide the finest press clipping service available. We still read and take clippings from every newspaper, magazine, business and trade paper published in the Bayou State; and our clips are mailed once or twice weekly, and can be mailed, delivered, FAXed or e-mailed daily if needed.

Although Louisiana press clipping coverage is our specialty, we can also supply regional coverage.

- Full Louisiana newspaper & magazine clipping coverage
- Weekly, bi-weekly & daily mailings
- FAX Service - twice daily
- E-mail service - daily
- Computerized Backsearch service for:
 1. Large dailies & magazines throughout the U.S.
 2. Including three of Louisiana's largest dailies & several other major Louisiana papers and business publications.
- Video clipping coverage information available.
